SOME TIPS ABOUT DINING:

Dining is open seating, and you are free to dine at your leisure.

COMPLIMENTARY DINING

Complimentary Dining is available in two Dining Rooms – Taste and Savor (Deck 6, Aft), the Garden Café Buffet (Deck 16, Forward), The Local Bar & Grill (Deck 7, Midship), or American Diner (Deck 17, Aft). If you prefer, you may dine in any of the Specialty Restaurants for a nominal charge. When making your dining plans, please be sure to consult an up-to-date concert schedule.

SPECIALITY DINING

Food Republic

Experience a modern, globally inspired dining spot that blends Asian-Latin flavors with a sleek, social atmosphere. Designed for sharing, the menu features everything from sushi and small plates to inventive fusion dishes—perfect for mixing, matching, and discovering something new between shows.

La Cucina

Enjoy the finest ingredients at this vibrant Italian ristorante. Spark a conversation amongst friends over a great bottle of wine and freshly baked artisan farm bread. Dine on classic dishes like pasta carbonara or lobster fettuccine. Then order the affogato and indulge in espresso over macadamia nut ice cream. Buonasera!

Cagney's Steakhouse

Our American-style steakhouse is where perfectly grilled steak takes center stage. Sip your favorite cocktail as you select from choice cuts of Premium Angus Beef, perfectly prepared. And don't forget to order the famous truffle fries.

Teppanyaki

Flying shrimp, onion volcanoes, and sizzling surprises await at our Japanese Hibachi. Gather around a lively table as chefs grill steak, seafood, and chicken before your eyes—pair it with a chilled, sake-infused Wasabi Cocktail.

Le Bistro

Le Bistro blends modern luxury with timeless French romance, serving gourmet classics like Coq au Vin and desserts such as Île Flottante—an airy meringue pillow floating in vanilla crème anglaise with raspberry coulis. It's a true ode to France. Bon appétit!

Q Texas Smokehouse

Bringing authentic Texas BBQ to the high seas, the "Q" is serving up smoky favorites in a laid-back, high-energy setting. Available daily from noon to midnight, the curated menu features crowd pleasers like brisket sliders, loaded fries, and hearty platters—perfect for fueling up for a night full of Rock N' Roll.

USEFUL INFORMATION

JOY THEATER AND MANHATTAN ROOM ENTRY

All shows on MORC are open seating —no assigned seats. We hope to open doors for the Joy Theater and the Manhattan Room 15-30 minutes before showtime. However, this is Rock N' Roll and these times are estimated. We thank you in advance for your patience.

VIP Guests receive priority entrance to the Joy Theater, The Manhattan Room, and Photo Experiences in The Observation Lounge: Look for VIP lines or ask an official MORC Staff member for assistance. Once doors are open to all, guests can sit anywhere as seating is not reserved. VIP laminates **MUST** be worn for priority entry.

Entry order: **DIAMOND • GOLD • SILVER • GENERAL ADMISSION**

PHOTO POLICY

Guests are permitted to take personal photos on board the cruise and during performances. However, out of respect for our performers, no detachable lens cameras, no flash photography, and no video will be permitted during any shows during the cruise. Professional quality cameras and video specific cameras are strictly prohibited. We appreciate your cooperation.

NCL JOY PHOTOS

Be sure to stop by the Photo Gallery to purchase your keepsakes that NCL's photographers have taken throughout the cruise. These will only be available on board and cannot be purchased after disembarkation.

SMOKING ON BOARD

Smoking in public areas is only permitted in the designated area on Deck 16 Starboard Side, Spice H2O Starboard Side, and in the Humidor Lounge (cigar smoking only) or in the Casino in designated areas. Smoking of any kind is prohibited in staterooms and balconies; a cleaning fee of \$250 will be added to your onboard account if you smoke in your stateroom. Electronic cigarettes are governed by the same standards as regular cigarettes.

THE FREESTYLE DAILY

The Freestyle Daily can be found on the NCL app and is your key to the most current schedule of events. We recommend you always consult that version before anything else. Should there ever be any last-minute updates to the schedule, you may see them posted throughout the ship, as well as hear ship wide announcements.
